

Beyond Brexit: A brighter future?

9th December 2020 | 09:30 AM – 10:30 AM (GMT)

Does your company trade with the UK, or are you exploring ways to do so? Do you hold a UK subsidiary and are wondering how Brexit will affect your operation? Perhaps you're looking to expand and see Brexit as an opportunity.

As the transition period comes to an end and UK businesses are doing what they can to prepare for an uncertain future, we take a look at the impacts of Brexit on Dutch companies' commercial contracts and consider if the future really is brighter.

Join legal experts from Harrison Clark Rickerbys, Tribeca Advocaten and Adriaanse van der Weel.

We will provide:

- A current update on Brexit and the transition
- A look at the Free Trade Agreements the UK has in place and is currently negotiating, that could potentially benefit your business
- The impacts of Brexit – positive and negative - on your commercial contracts
- The opportunities arising in a post-Brexit world.

Aimed at Dutch organisations trading with or looking to trade with the UK.
